FINDINGS OF FACT

1. Respondent, John M. Ravin, M.D., is the holder of License No. MA21265, and was licensed to practice medicine and surgery in the State of New Jersey from 1966 until 2001 when his license expired for failure to renew the biennial registration.

John Murray Ravin, and Christopher Kimberly Boal. On or about September 11, 2000, Respondent entered a plea of nolo contendere to a violation of Penal Code section 182, subdivision (a)(1), conspiracy, to commit insurance fraud in violation of the Insurance Code sections 1871.1

CERTIFIED TRUE COPY

and 1871.4, a felony. Based on Respondent's guilty plea he was placed on formal probation for a period of five (5) years and subject to certain terms and conditions, including that he make restitution to the victim, State Compensation Insurance Fund, in the amount of twenty-five thousand dollars (\$25,000), to Republic Indemnity in the amount of ten thousand dollars (\$10,000), and to the State of California State Compensation Fraud Assessment Fund in the amount of ten thousand dollars (\$10,000).

2. On or about January 29, 2003, the Division of Medical Quality, Medical Board of California ("Division") filed an Accusation against Respondent seeking the revocation or suspension of Respondent's license to practice medicine and surgery. The Accusation was based on Respondent's conviction and on allegations that Respondent engaged in dishonest and corrupt acts, fraud and created false medical records, all of which provided for disciplinary action under the California Code of Regulations. On or about April 18, 2003, the California Board entered a Decision and Order adopting the Stipulation of Surrender of License and Order executed by Respondent, Pursuant to the Stipulation of Surrender of License and Order, Respondent "admits the truth of each and every charge and allegation in Accusation No. 06-2002-135878" and agrees that cause exists for discipline thereby surrendering his Physician's and Surgeon's Certificate No. G14582 for the Divisions's formal acceptance.

3. On or about May 14, 2003, the State of California, Health and Human Services Agency, Department of Health Services suspended Respondent for an indefinite period of time from participating in the Medi-Cal program pursuant to Welfare and Institutions Code section 14123, subdivision (a), based on Respondent's criminal conviction.

4. On or about June 24, 2003, the Virginia Department of Health Professions entered an Order based on Respondent's criminal conviction suspending Respondent's license to practice medicine and surgery.

CONCLUSION OF LAW

1. The above criminal action taken by the State of California against Respondent provides ground to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(f), in that Respondent has been convicted of a crime or offense involving moral turpitude or relating adversely to the activity regulated by the Board.

2. The above disciplinary action taken by the sister state of California provides ground to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(g), in that Respondent's surrender of licensure is tantamount to a suspension or revocation of license.

3. The above disciplinary action taken by the sister state of Virginia provides ground to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(g), in that Respondent's license to practice medicine has been suspended in another state.

4. Respondent's failure to submit his biennial renewal resulting in a lapsed license status provides grounds to automatically suspend Respondent's license to practice medicine and surgery in the State of New Jersey pursuant to N.J.S.A. 45:1-7.1(b).

DISCUSSION

Based on the foregoing findings and conclusions, a Provisional Order of Discipline suspending Respondent's license to practice medicine and surgery in the State of New Jersey was entered on September 14, 2004 and a copy was forwarded to Respondent at the last known address on file with the Board. The Provisional Order: was subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence

supporting Respondent's request for consideration and reasons therefor.

Although the record reflects that the Provisional Order was served upon Respondent, no response has been received to date. Accordingly, the Board considered the matter, determined that further proceedings were not necessary and the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 12th day of April, 2005,
ORDERED THAT:

1. Respondent's license to practice medicine and surgery in the State of New Jersey shall be and hereby is suspended until such time as his license to practice medicine and surgery is fully reinstated without any conditions or restrictions in the State of California and the Commonwealth of Virginia and he has fully satisfied all elements of his criminal sentence including payment of all penalties and conditions of probation.

2. Prior to resuming active practice in New Jersey, Respondent shall be required to appear before the Board or a committee thereof to demonstrate fitness to resume practice, to show that Respondent has satisfied all requirements of any California and Virginia dispositions and is reinstated to the practice of medicine without restrictions in those states. Any practice in this state prior to reinstatement shall constitute grounds for the charge of unlicensed practice. In addition, the

Board reserves the right to place restrictions on Respondent's practice should Respondent's license be reinstated.

The disciplined licensee is also prohibited from occupying, sharing or using office space in which another licensee provides health care services. The disciplined licensee may contract for, accept payment from another licensee for or rent at fair market value office premises and/or equipment. (N.J.S.A. 14A:17-11). A disqualified licensee shall divest him/herself of all financial interest in the professional service corporation pursuant to N.J.S.A. 14A:17-13(c). A licensee who is a member of a limited liability company organized pursuant to N.J.S.A. 42:1-44, shall divest him/herself of all financial interest. Such divestiture shall occur within 90 days following the entry of the Order rendering the licensee disqualified to participate in the applicable form of ownership. Upon divestiture, a licensee shall forward to the Board a copy of documentation forwarded to the Secretary of State, Commercial Reporting Division, demonstrating that the interest has been terminated. If the licensee is the sole shareholder in a professional service corporation, the corporation must be dissolved within 90 days of the licensee's disqualification.

4. Medical Records

If, as a result of the board's action, a practice is closed or transferred to another location, the licensee shall ensure that during the three (3) month period following the effective date of the disciplinary order, a message will be delivered to patients calling the former office premises, advising where records may be obtained. The message should inform patients of the names and telephone numbers of the licensee (or his/her attorney) assuming custody of the records. The same information shall also be disseminated by means of a notice to be published at least once per month for three (3) months in a newspaper of

general circulation in the geographic vicinity in which the practice was conducted. At the end of the three month period, the licensee shall file with the Board the name and telephone number of the contact person who will have access to medical records of former patients. Any change in that individual or his/her telephone number shall be promptly reported to the Board. When a patient or his/her representative requests a copy of his/her medical record or asks that record be forwarded to another health care provider, the licensee shall promptly provide the record without charge to the patient.

5. Probation/Monitoring Conditions

With respect to any licensee who is the subject of any Order imposing a probation or monitoring requirement or a stay of an active suspension, in whole or in part, which is conditioned upon compliance with a probation or monitoring requirement, the licensee shall fully cooperate with the Board and its designated representatives, including the Enforcement Bureau of the Division of Consumer Affairs, in ongoing monitoring of the licensee's status and practice.
